Features

- Leather lounge seating with compact proportions
- Fixed, non-removable seat cushion (for public areas)
- High quality sectional benches: All benches and ottomans allow installation of ganging brackets
- Size and look of seating matches other chairs, benches, and tables in the same family of products
- Metal-to-metal connections between components to improve ease of assembly and prolong product life cycle

Options

- Seat foam can be upgraded to higher density, highly resilient, Ultracell foam
- Steel legs are available in Black or Tungsten finish. Chrome finish also available with an upcharge
- Non-cylindrical wood legs are available in several finishes
- Ganging brackets are available for linking to other benches and ottomans (cannot connect to other seating)
