Features

- Acoustic phone booth that inhibits sound transmission between the interior and exterior creating a private room-in-room for workplace applications
- Laminate exterior with aluminum frame
- PET interior provides acoustic privacy
- Assembles in less than 90 minutes. Once complete, simply plug in and get to work!
- Retractable casters provide an easy way to move the pod around your space
- Integrated motion-sensor activated ventilation (55 CFM) and low-voltage LED lighting reduce energy consumption

POD1G

POD1L

Options

- Exterior is available in 15 laminate finishes
- Exterior frame is available in 4 colors
- Interior PET finishes available in 3 colors
- Interior laminate finishes available in 3 colors
- Glass front comes standard with a Black painted frame
- Interior is standard in PET, but can be specified in laminate for easy cleaning
- PET finish options: Graphite (GPH), Pewter (PWT), and Mist (MTS)
- Hardware (handle and hinge) can be specified in Black or Silver

Construction

- Exterior is ¾" thermally fused laminate with a 10 mm tempered glass door and glass (POD1G) or laminate back panel (POD1L)
- Exterior corner details are made of extruded aluminum
- Internal frame is comprised of 14 gauge steel beams
- Interior is clad in PET (recommended for greater acoustic properties)
- Pod ceiling is Designer White laminate
- Interior carpet flooring is comprised of eco-friendly Nylon fiber, solution dyed with a polypropylene backing.
- Laminate touch-down shelf is standard in Designer White (DWT) laminate
- Shelf dimensions measure 24"W x 8"D x 40"H

Power and Connectivity

- 2 AC outlets and 2 charging USB-A ports coupled with an occupancy sensor controlling two 12V DC fans and an LED light circuit, ensuring comfort in even the smallest of enclosed spaces, while keeping power consumption at a minimum
- Power connection includes a 10ft (3 m) long cord

Acoustic Rating

- NIC-36, STI 0.07

Airflow Specifications

- CFM 55

Lifetime warranty on all components, except the following:

- 5 year warranty on foam, PET felt and textiles
