A complete solution for demanding environments

GC Belong™ was developed to meet the needs of the most demanding environments and the intensive cleaning procedures associated with today's infection control requirements. The series includes individual chairs for patient rooms, interlocking configurations for public spaces and specialty items such as hip replacement chairs, bariatric seating, flex back chair, and models with mobility casters.

GC Belong is constructed with a reinforced, steel frame that incorporates a welded crossbar to connect the leg and arm uprights for exceptional strength and durability. Both seat and back cushions are fitted with high density Ultracell foam for long life and superior comfort.

Seating frames and urethane armcaps shown in Toast. Table tops shown in Walnut Heights.

Top: Seating frames and urethane armcaps shown in Toast. Table top shown in Clear Maple.
Bottom: Seating frames shown in Toast with wood armcaps in Clear Maple. Table tops shown in Clear Maple.

Features and options

Low back, high back and bariatric options

Flex back with torsion control mechanism on select models provides a gentle rocking motion for the chair's back without impeding egress or entry

Metal frames are available in all Global healthcare metal finishes

Soft, easy clean urethane arms or wood arms, available in all Global healthcare wood and urethane finishes

Easy clean design incorporates clean out space between the seat, back and frame

High density Ultracell foam

Optional sealed seams for additional protection from fluid and bug penetration

Wall saver leg design prevents back contact with the wall

Rear tip and move wheels for easy relocation of an unoccupied chair on select models

Non-marking polyethylene glides are standard on all models

Easy clean out design supports housekeeping and infection control practices

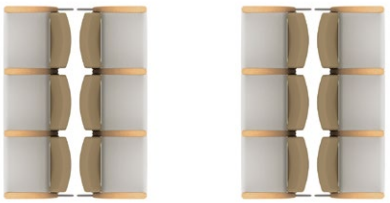

Optional brackets allow easy connection of seating units and table bridges

Selected patient room seating is equipped with mobility rear casters allowing staff to move units easily without lifting

Sample layouts

Package 1
4x GC4235

Package 2
1x GC4233B, 1x GC4231L, 1x GC4231R,
2x GC4277-HP

Package 3
1x GC4235R, 1x GC4241L, 1x GC4231L, 1x GC4231R,
1x GC4277-HP, 1x GC4283-HP, 1x CG4275-HP
